**Summary of reasons
for classification:**

The publication *1168317660430.jpg* is classified as:
Objectionable.

The publication exploits the nudity of children and young persons by focusing the viewer's attention on the naked bodies of girls and teenagers. The image can reasonably be regarded as being sexual in nature as it is contrived to show their breasts and genital areas. It invites a sexual reading. By presenting such an image the publication exploits the girls' nudity in a manner that makes the availability of the publication injurious to the public good.

The classification of this publication interferes with the freedom of expression as set out in s14 of the New Zealand Bill of Rights Act 1990. This outcome is consistent, however, with Parliament's intention in the Films, Videos, and Publications Classification Act 1993 to limit the availability of publications that exploit the nudity of children and young persons.
